

To whom it may concern,  
I do not know what form of objection complies  
with Bankruptcy Court. Therefore, I am writing this  
letter.

March 20, 2019

In good faith I lent my sister \$1000.00 for  
household bills prior to filing for Bankruptcy.  
She listed my name as outstanding debt.  
When the case settled she stated you will  
have a check in a couple of weeks.  
That was almost 4 months ago.

As I started to receive letters, I still  
trusted what Bonnie told me and  
continued to wait until the notice that  
said I cannot speak to or contact her  
regarding what has transpired.

I am not a wealthy person, but when  
family needs help we help. I know Bonnie  
feels that I have been paid.

I would enjoin the court to make a  
determination to pay this amount back to me.

Sincerely,

Glenn K. Kinney
